Dear Sir:

Please be advised that mailings of applications to operate solid waste disposal facilities and processing of licenses to operate for 1983 will be delayed.

The Ohio legislature recently amended the solid waste law, and these changes will require action by the Board of Health.

Should this delay continue into the first of the year, you may still continue to operate.

I trust this delay will not cause any inconvenience to you.

Sincerely,

Terry L. Wright, M.P.H.
Supervisor
